

Love's Farm Church Safeguarding Policy Statement

This is the safeguarding policy statement adopted by the URC General Assembly in 2021 and adopted by Love's Farm Church.

The United Reformed Church (URC) and Love's Farm Church are committed to safeguarding in every area of its life and ministry.

Safeguarding is the action taken to promote and protect the well-being and human rights of individuals. This means we will:

- do all we can to create and maintain a safe and caring environment for all people
- respond promptly and effectively to any form of abuse and neglect, including reporting abuse to statutory agencies as necessary
- seek to prevent abuse in any form from occurring.

We will seek to identify individuals who may pose a risk to others and take necessary actions to minimise risk whilst supporting these individuals in our communities when safe to do so.

The URC and Love's Farm Church confirm that safeguarding is the responsibility of everyone: to prevent abuse and neglect of children, young people and adults; to act upon concerns of abuse; and to support the wellbeing of each person within all communities in which the Church is placed. Safeguarding is a requirement and a duty in all Councils of the Church. Safeguarding in the URC is supported with relevant policies, practice, guidance and training.

The Church acknowledges that the wellbeing of the child or adult who is experiencing or is at risk of experiencing abuse, harm and neglect is paramount, and it will always act in their best interests, in line with national legislation, relevant statutory guidelines and good practice guidance. The United Reformed Church believes that all people have the right to be and feel part of this community, regardless of age, disability, gender reassignment, marriage and civil partnership status, pregnancy and maternity, race, religion or belief, sex or sexual orientation. We will operate in line with the Human Rights Act 1988, the 1989 United Nations Convention on the Rights of the Child and the Equality Act 2010.
